

MATERIAL DESCRIPTION

Coala Citylight is a 150g/m² white matt coated paper for poster applications and especially for backlight applications. It has excellent printability, machinability, good transparency and stiffness during printing and installation. This paper is developed for Solvent, Latex and UV inkjet printing. It is not recommended for Eco-solvent. Coala Citylight offers outstanding flatness, even with large formats. It is used in shopping centers and other large commercial premises.

PRINTER & INK COMPATIBILITY

WEIGHT

150
g/m²

PHYSICAL PROPERTIES

- Finish: matt
- Whiteness CIE: 103% (ISO 11475)
- Dry opacity: 99% (ISO 2471)
- Thickness: 180μ
